

## MEDIA ADVISORY

- WHO:** Mr. Dennis Bauman, Joint Program Executive Officer,  
Joint Tactical Radio System
- Mr. Howard Pace, Deputy Joint Program Executive Officer,  
Joint Tactical Radio System
- WHAT:** Media Roundtable Opportunity
- WHEN:** Friday, February 13, 2009  
0900-1000 (PST)
- WHERE:** The San Diego Convention Center; AFCEA West 2009  
Press Room #7A
- WHY:** The Joint Program Executive Office, Joint Tactical Radio System (JTRS) continues to deliver new wireless communications capabilities to the warfighter. JTRS provides mobile, ad hoc networking communications to maritime, ground and aviation platforms, bringing the power of Net-centric Warfare to the “tactical edge,” dramatically increasing battlespace awareness. Through its unique Enterprise Business Model, JPEO JTRS is also incentivizing increased Industry participation and competition, reducing life cycle costs and accelerating delivery of this critical capability to the Joint warfighter.
